

First Middle Last

hello@mail | (000)111-2222 | linkedin | CA, USA

EDUCATION

College, *Sophomore*, AS University Scientific Studies

GPA: 3.89 overall (4.00 at College)

Relevant Courses: Calculus, Circuits, Statics, AutoCAD, MATLAB

CA

June 2025 - Present

Expected Transfer: May 2027

CORE COMPETENCIES

- **Software:** AutoCAD, SolidWorks, MATLAB, Excel
- **Programming:** Python, JavaScript, QMK/VIA, Yaml
- **Technical:** Soldering, Circuit Troubleshooting, Firmware Flashing
- **Assembly:** Power Tools, Mechanical Assembly, Basic Car Repair, Woodworking

TECHNICAL EXPERIENCE

Custom Mechanical Keyboard Building

Built over a dozen custom mechanical keyboards

CA

June 2022 - Present

- Researched switches, keycaps, PCBs, and cases based on price, acoustic signature, and material
- Lubricated switches, tuned stabilizers, soldered PCBs, and added modifications
- Troubleshoot circuits and flash QMK/VIA to create custom layouts/hotkeys.

Car Maintenance and Modification

Maintain and modify car at home

CA

November 2024 - Present

- Research, purchase, and install parts based on price, compatibility, and installation
- Replace brakes, rotors, fluids, filters, lights, and speakers according to the repair manual
- Identify and troubleshoot electrical problems from speakers, cameras, or wiring

Deck Building Project

Work with my dad to measure, design, and build a new deck for the backyard.

CA

October 2025 - July 2026

- Model, dimension, and calculate measurements on the new deck in AutoCAD
- Compare wood/composites based on structural integrity, durability, price, and maintenance
- Adjust CAD drawings to meet physical and assembly limitations

College Engineering Club

Club Member

CA

September 2026 - Present

- Attending meetings promptly
- Use Arduino kits
- Apply engineering to bridges, rockets, etc

Phi Theta Kappa

Chosen for high academic achievements

CA

September 2026 - Present

- Participate in PTK-run volunteering events
- Assist in food banks, tutoring students, and working closely with PTK to organize events
- Attend meetings

PROFESSIONAL EXPERIENCE

Soo Bahk Do Moo Duk Kwan

Assistant Instructor/Third-Degree Black Belt

CA

October 2020 - Present

- Mentor and teach junior students alongside instructors; change instruction per student
- Communicate with the instructor about students' progression and attitude
- Organize testing paperwork, resources, activities, and equipment

Pizza Job

Shift Leader, Promoted December 2025

CA

July 2025 - Present

- Supervise daily operations, ensuring service, food, and health regulations are met
- Train, support, and guide coworkers with proper feedback and communication
- Manage inventory, cash, and preparation for later shifts

AWARDS AND HONORS

- California State Seal of Biliteracy: Spanish, 2025
 - California State Seal of Civic Engagement, 2025
 - International Soo Bahk Do Moo Duk Kwan Federation: Sam Dan Certification (Third Degree) Black Belt, 2026
 - Soo Bahk Do Regional Individual Competition: 1st Forms, 2nd Sparring, 2026
 - Soo Bahk Do National Competition: 2nd in Individual Forms and Sparring; 3rd Team Forms, 2023
-
